This year we are celebrating 30 years of Asylum magazine!

We are planning a special themed issue:

We welcome contributions from our readers:

service users/survivors; friends, allies, workers, professionals, academics etc

Usual format, up to 1,500 words (preferably with b/w images, but not essential)

Deadline: early April

### Other news:

We hope our readers enjoyed our 2015 special year of mental health in comics.

We welcome any feedback.

Do you have any ideas for future issues of the mag? Would you like to guest edit a special issue on a theme? Let us know.

As well as short articles, Asylum is always looking for pictures, cartoons, jokes, short stories, film reviews, book reviews and other creative material for publication in the magazine.
